## Impact Your Community

**Provide a discount on your existing products or services in order to help ease the financial strain fostering places on family budgets.**

*Examples: 20% off a monthly gym membership, kids eat free with a paying adult, 20% off new mattress sets, etc.*

## Impact the Children

**Make a tax-deductible donation of any size to directly impact the work of Tennessee Kids Belong.**

*When it comes to investing in foster care, you are helping shape the future of your community by giving children what they need most to thrive - a safe home, a family, a place to belong.*

## Impact a Future

**Provide internships and on-the-job career training for older youth (ages 18-25) who are aging out of the foster care system and who are in need of vocational support.**

*TKB will provide connections to youth and support for your company throughout the process.*

## Impact Your Employees

**Create a "foster friendly" Human Resource policy within your company. Educate employees on foster care and adoption certification and/or create a support program for existing foster/adoptive parents.**

*Not only are more qualified foster homes desperately needed in our state, we must do a better job of supporting those who have already stepped up.*
